

**LARRY "JAKE" JACKOWIAK**  
1957 - 2009

*On September 18, 2009, Concord Community Schools lost a special friend. Jake touched many, many lives at Concord Community Schools as a teacher, coach, athletic director, and as our Assistant Superintendent of Schools for Business.*

*Jake was a mentor and friend to many Concord staff and community members. He was also a dedicated advocate of public education. His leadership, integrity, and friendship will be missed by all those fortunate enough to have known him.*

## **What is Concord Dollars for Scholars?**

It is a volunteer operated non-profit organization comprised of local patrons - dedicated to raising scholarship money for deserving Concord graduates. The local chapter is affiliated with the Citizens' Scholarship Foundation of America: 100% of the donations remain at Concord!

## **How are Funds Provided?**

Funds are provided two ways:  
Annual donations are raised each year through a fundraising campaign that includes the Annual Student Phone-A-Thon, the Concord Community Schools staff solicitations, various student sponsored activities, and a direct mailing to businesses and clubs. Individuals, clubs, and businesses are invited to contribute. Endowments, trusts, memorials, and grants are accepted to establish an enduring foundation.

## **Concord Dollars for Scholars Benefits You!**

Established in 1991, Concord Dollars for Scholars has awarded more than \$1,000,000 awarding over 2,000 scholarships to graduating Concord High School Seniors.

The goal of DFS is to provide a scholarship to every Concord graduate continuing their education at any accredited school.  
Success hinges on the support of the community.
