

# Valley Green Shredding Scholarship

The motto for Valley Green Shredding is, "Your Neighbor, Your Partner in Document Shredding." CSF Westfield Dollars for Scholars can certainly attest to the truth of this motto! Every year since 2012, Eric Wartel has generously donated his time and his Valley Green Shredding truck to sponsor a one day shredding event in Westfield to benefit CSF Westfield Dollars for Scholars. This annual fundraiser is held on a Saturday in late April each year. Local citizens can bring their boxes of documents to be shredded to the designated location, make a donation to CSF and Eric then shreds their documents. CSF Board members collect the donations and help to unload the boxes of documents to be shredded.

Over the years, thousands of dollars have been raised to fund scholarships for deserving Westfield students. Valley Green Shredding is located right here in Westfield, and Eric Wartel is absolutely a good neighbor and partner in our community! This scholarship was funded with money raised from the CSF Westfield Dollars for Scholars Shred Day. Some of the money raised from this event is also directed to our General Fund to help fund CSF Westfield Dollars for Scholars Scholarships. We are very thankful to Eric Wartel and Valley Green Shredding for their support of our Westfield students.
