

Dunkin' Donuts Customers' Scholarship

Early in 2011, Mr. Emanuel Sardinha, owner of seven Dunkin' Donuts stores in Westfield, graciously offered to allow Citizens' Scholarship Foundation of Westfield to place donation boxes at all seven locations during the entire month of March 2011. He immediately named the scholarship in honor of his loyal customers who generously donated to this scholarship. We are very grateful to Mr. Sardinha and the kind customers of Dunkin' Donuts who made this scholarship possible.
