Floodwood graduates succeed

Kate (Czarneski) Homstad, daughter of Joe and Sue Czarneski, graduated with the class of 1999. She earned a B.S. degree in Criminal Justice, and a B.A. degree in Political Science, with a Pre-Law emphasis, from Bemidji State University.

Kate is very thankful that she made the decision to attend college. She is currently employed by Beltrami County Health and Human Service's Children's Services/Child Protection. The primary objective of her position is to provide ongoing case management and offer services to families where child safety has become an issue.

Kate makes her home in Bemidji, MN with her husband Travis and two daughters, Maranda (age 3 ½) and Nealie (age 2).

Her message to the community of Floodwood: "Thank you to the community for assisting local students in reaching their dreams of academic achievement. I know when I was a student, any amount of financial support was greatly appreciated and put towards good use—no matter the amount. Thank you for your continued support."

The people of Floodwood can be proud of their support to young men and women such as Kate.
