Grant Consent. If your student is under 18, they cannot complete their scholarship application process without your permission. Please click the "grant consent" button below to allow your student to compete for scholarship money available through Scholarship America and its partners.

In order for your student to compete for scholarships based on financial need, you must provide family financial information. This information will be kept strictly confidential and will not be viewable by anyone but you. The information will be used in calculations (similar to the FAFSA) to develop a suggested family contribution which will be used to determine relative need. The only number visible to anyone other than you will be that final suggested family contribution amount.

You will not be able to enter or submit financial information until a student has requested that information from you. If the "submit financial info" button is NOT highlighted, you have skipped a required section of the financial form. Please check the form for omissions and add the missing information.

The screenshot shows a web browser window with the Scholarship America website. A modal dialog box is open, displaying the text: "I grant my consent for my student to provide the necessary information needed to complete the scholarship application process." A small square checkbox is circled in blue, and a black arrow points to it from the right. The dialog box has "Save" and "Cancel" buttons at the bottom right. In the background, the website's sidebar includes links for "Parent", "My Student", "My Information", "My Opportunities", "My Scholarship News", and "My Resources". The main content area shows a list of applicants, with "Michelle Yu 550" visible. Below the list are buttons for "Grant Consent", "Enter Financial Info", and "Submit Financial Info". The footer of the website includes the copyright notice "© Copyright Scholarship America, Inc. 2011, All rights reserved." and social media icons for Facebook, Twitter, RSS, YouTube, and LinkedIn.

After selecting "Grant Consent," a box will appear. Click on the checkbox to grant your consent and allow your student to complete their scholarship profile.
