Grant Consent. If your student is under 18, they cannot complete their scholarship application process without your permission. Please click the "grant consent" button below to allow your student to compete for scholarship money available through Scholarship America and its partners.

Financial Info: In order for your student to compete for scholarships based on financial need, you must provide family financial information. This information will be kept strictly confidential and will not be viewable by anyone but you. The information will be used in calculations (similar to the FAFSA) to develop a suggested parental contribution which will be used to determine relative need. The only number visible to anyone other than you will be that final suggested parental contribution amount.

You will not be able to enter or submit financial information until a student has requested that information from you. If the "submit financial info" button is NOT highlighted, you have skipped a required section of the financial form. Please check the form for omissions and add the missing information.
