Dollars for Scholars is a community-based college scholarship program.

North Dakota Dollars for Scholars exists to provide:

- Support to community chapters
- Statewide scholarship opportunities

Give a helping hand and send your community's kids to college.

- Start a chapter in your community or volunteer if you have one in place
- Establish a regional or statewide scholarship
- Become an endowment donor and impact generation after generation

Dollars for Scholars in your community.

A Dollars for Scholars chapter is a foundation, made up of energetic community and school members. They raise scholarship money and provide financial and academic support to local students. Since it is run by volunteers in your community, it determines the best way to support the youth in your community.

Each local chapter

- Has its own 501(c)3 status, making all contributions tax-deductible
- Raises dollars for local student scholarships
- Is governed by a local board of directors
- Manages its funds and makes local investment decisions
- Receives training and resources through North Dakota Dollars for Scholars and Scholarship America
- Has access to statewide scholarship opportunities through North Dakota Dollars for Scholars
