

DOLLARS FOR SCHOLARS SPOTLIGHT

It's a tradition.....

Floodwood graduates succeed

Amber (Bailey) Tahja, daughter of Faith Bailey (Suonvieri) and Sam Bailey, graduated from Floodwood School with the class of 1998. She earned her LPN (Licensed Practical Nurse) degree from Lake Superior College.

Always loving her hometown, pursuing a degree has enabled Amber and her husband to make their home, and raise their children in the place she loves, Floodwood. After graduating, Amber attended Lake Superior College and earned her LPN degree. Amber is currently co-owner and operator of Autio Homes Adult Foster Care in Floodwood. As co-owner, her job responsibilities are many and varied, although with her medical expertise, the responsibility of the client's medical needs fall to her. Some of her responsibilities include, writing risk management plans and abuse prevention plans for clients, providing mental health crisis support, emotional/mental health support, as well as individualized medical care.

Amber makes her home in Floodwood with her husband Ben and three children, Bryce (14), Kayla (11) and Autumn (8).

Her message to the community of Floodwood: "Thank you to the community members and alumni that contribute to dollars for scholars! "

The people of Floodwood can be proud of their support to young men and women such as Amber.
