How to Accept Scholarships from the Student Profile

1. After logging back into your profile (log in page is https://public.dollarsforscholars.org), go into the My Scholarships section.

2. Scroll down to the “Awarded Applications” table and click on the Accept Scholarship button for the scholarship(s) you have been awarded. This will pull up the Student Acknowledgement Form.

3. Confirm the information you’ve entered is correct and edit it if it’s not. College you are attending and your student ID number from the college is required. If you haven’t already entered it, you can enter it now. If you don’t have your student ID yet, enter 0000 and be sure to update it as soon as you get it in the Schools section of your profile. Once everything is entered/confirmed, scroll to the bottom and click the button agree to the terms and conditions.
