Note 1: An Activity is NOT a class but a class can include an activity if you've participated in it as an extra part of the class. For example, Choir is NOT an activity but HS Musical, trying out for All State or participating in the Solo/Ensemble Contest IS an activity. Band (Concert, Marching) is NOT an activity but Jazz Band, Pep Band, trying out for All State and Honor Bands, or participating in the Solo/Ensemble Contest IS an activity. Three more examples: DECA is an activity ONLY if the student advances to the National Competition, however, if the student is involved in DECA a second year--independent of the Marketing class--it IS an activity. AVID is a class; it is NOT an activity. If you get a grade based on your participation, it is NOT an activity.

Note 2: In **Activity Description**, please type *This was a one- or two-time event* for any community-service activity that is NOT an ongoing activity or something you participated in as part of a class requirement. (Examples might include: blood donor, adopt-a-highway, adopt-a-family, tornado/flood cleanup, can cage, phone-a-thon, meals-on-wheels, Santa's Workshop, Just Feed One)

Enter *Offices, Awards, or Honors* earned.

Note: We define award in this way: specific or special recognition given to a student for his or her outstanding achievements in a classroom or extra-curricular school or community activity by a coach, teacher, adult leader and/or peers. This includes earning a "letter" in a school activity. We define honor in this way: specific or special recognition given to a student for his or her outstanding efforts in a classroom or extra-curricular school or community activity by a coach, teacher, adult leader and/or peers.

Below are the open scholarships that you match to.

NOTE: You must submit to a scholarship in order to be eligible for it.

NOTE: Some scholarships require additional information from you before you will be able to submit. This will be indicated by an active Essays or References button. Click on the active buttons, complete the information and the Submit App button will activate. If the Essays and References buttons are not active on a matched scholarship, no additional information is required.

NOTE: If you see a button that reads "no longer eligible", then your profile or the scholarship requirements have changed and you are no longer eligible for that scholarship. To check this, click the "Verify Eligibility for all Scholarships" button below.

___ Write your password down in a safe place. You'll be able to use it again next year or for any additional students this year who request a recommendation.

After you've created your password (and the next time you receive an email from Scholarship America with this type of request) the link in the email will take you directly to a list of **My Students** but you can *also* access the system this way:

Go to:

www.StormLake.dollarsforscholars.org

___ Click on the **Students & Parents** tab

___ Click to **Login**

___ **References:** Click **here to login**

___ Select the appropriate response for each question. Add **Comments** but please do

NOT use the student's name. A student's application can earn 1 or 2 additional points based on your comments here.

___ Click **Save**. A window will pop up.

___ Click on the box in the middle of the window.

___ Click **Submit Recommendation** for specific student.
