- 20) On the “My Dashboard” page, just under the first paragraph, click on [Work on Profile](#)
- 21) Under the “My Information” heading:
 - a) **Add entries into these three tabs: (Activities, Awards & Employment).** Input only activities, awards and employment that happen during your high school years. Activities, awards and employment that occurred prior to your 9th grade year are not valid for your profile. In addition to what is listed in the drop down menu, Activities also include Community Service.
 - b) As best you can, complete information in the first three tabs (Basic Info, Additional Info, Schools). Do not complete the following tabs until 12th grade: GPA, Class Rank, Test Scores, Parent/Guardian, Financial Info, Goals Essay, Unusual Circumstances Essay, Transcripts and References.

This profile is similar to a working resume. It will be very beneficial to you to keep it up-to-date throughout high school. During the next four years, as you participate in activities, earn awards, and become employed, be sure to note those changes in your profile. If updated, this profile is a great and necessary tool to use when applying for scholarships within our chapter as well as outside of our chapter.

Many of our scholarships are funded by our annual Phone-a-thon.

PLEASE VOLUNTEER FOR THE PHONE-A-THON!

Volunteering at the Phone-a-thon not only raises money for this year's seniors, but your volunteer hours are considered and counted when you are applying for scholarships during your senior year.

Sign-ups will begin after the first of the year.
