## Jennifer Miles Memorial Scholarship

Jennifer Miles was well-known throughout the Baldwinsville Community. She was a dedicated colleague and teacher. Long before she was hired to teach at McNamara Elementary school, she was dedicated to helping children. Over the years, she tutored many children in reading, writing and math. She began her professional career as a teaching assistant at McNamara Elementary. After being hired as a teacher, she taught second, fourth, and fifth grade all at McNamara Elementary. Jennifer is remembered by students, colleagues, and friends, as a compassionate teacher that was always full of encouraging smiles and warm hugs. Jennifer was also a loving mother, sister, daughter, & wife. Jennifer was taken from our community too soon during a tragic car accident in the spring of 2014.

"I am currently at Penn State University studying mechanical engineering. I am hoping to find a job post graduation as an engineer for a company in the military industry, or the construction industry. Winning the Jennifer Miles Memorial Scholarship has meant a lot to me in the pursuit of my college education. I will always remember my days at McNamara and while I did not have Mrs. Miles as a teacher, I will always cherish the things her colleagues did to help me to learn and grow."
