A college education makes a difference in life. The Upward Bound Program at Northern Vermont University–Johnson is designed to work with students whose parents do not possess a Bachelor's degree or who earn a modest family income. Upward Bound provides a comprehensive program of college preparation classes, workshops and experiences designed to assist each participant to successfully navigate the college application and financial aid process. Program services are offered on a year round basis throughout the academic and summer calendar.

Upward Bound currently works with 102 students from 7 different high schools located throughout northern Vermont. We are completely funded through a grant from the U.S. Department of Education. There is **NO COST** to students selected to participate in our program.
