The Hillcrest-Marlow Heights Civic Association Dollars for Scholars (HMHCA-DS) is a non-profit 501(c)(3) charitable organization with operations financed solely from donations, fundraisers and grants. HMHCA-DS is a volunteer organization with no paid staff.

The Hillcrest-Marlow Heights Civic Association initiated the scholarship program in 1988. In 2010, the Scholarship Program transitioned to a local chapter of Dollars for Scholars under the national program of Scholarship America. The purpose of the HMHCA-DS program is to provide a process whereby families can work together to generate funds for our community youth. HMHCA-DS has awarded scholarships of more than \$888,000.

HMHCA-DS extends heartfelt appreciation to all persons, donors elected officials, businesses, churches for making this ceremony possible. Thank you for your continued support through time, effort, and monetary contributions.

*A very special thank you to the Prince George's County Local Development Council, Rev. Jeffrey Chandler, Chairman.*
