

Guide to GRADUATING SENIORS Scholarships

What is Shawano Dollars for Scholars?

Shawano Dollars for Scholars® is a locally run, non-profit, organization promoting post-secondary education by providing local scholarships to graduating seniors from Shawano, Wisconsin. Established in 1996, Shawano Dollars for Scholars has awarded thousands of scholarships. We are part of a network of over 500 affiliates of the Scholarship America Dollars for Scholars program. The Shawano chapter of Dollars for Scholars expands the opportunities of Shawano high school graduates by working in partnership with organizations, businesses, and individuals to raise funds for graduates seeking scholarships. Scholarships are awarded in a fair and objective manner to deserving students.

Who qualifies for a scholarship?

The Graduating Seniors Scholarships are for High School Seniors who are graduating from Shawano High School, or who attended Shawano High School and received their GED in the current year or Home School and private schools' students who have lived in the Shawano School district for 3 years prior to graduation.

When can I start my profile?

You can start your profile your Freshman year, but only complete the green highlighted areas under Step 2 - Directions for Completing a Profile, the rest you complete your senior year.

How do I apply for a scholarship?

Your profile is filled out using Scholarship America's online tool, ChapterNet. Please note that your personal data is highly secure and only a small number of Shawano Dollars for Scholars Board Members will have access to your data for the purposes of scoring and awarding scholarships. Fill out your profile as complete as you can because you may qualify for other scholarships in the ChapterNet system which are outside of the Dollars for Scholars scholarships.

You can then decide which of the scholarships you want to apply for and simply click a button to **apply** by the **deadline listed on the Shawano Dollars for Scholars Web site. It changes each year, so please make sure to check the dead line date!** Depending on the scholarship, you may be asked additional questions when you apply to make sure you qualify for the scholarship.

Completing and Applying for Scholarships

Dollars for Scholars Awards are competitive. To give yourself the best possible chance to win a scholarship, you must fill out an online profile completely and accurately and submit your profile during the application process for scholarships.

2) Complete your Profile. The more you fill out the more points you can receive, however it does not have to be 100% to apply. (Not everything applies to everyone, so if you are at 92% it's ok)

3) Apply for Scholarships when they open. Check online at <https://shawano.dollarsforscholars.org> for all important dates.

We recommend writing the essay in a program where you can spell check, etc., first and then cut and paste into this section.)

14) The Unusual Circumstances Essay should **ONLY** be filled out if you have a unique or unusual circumstance that you want the awards committee to know about that effected your grades in a negative way.
