

Chambers Family FFL Scholarship

The Chambers Family FFL Scholarship has been established to assist a student with college education expenses. We know that it is not easy to decide on a career path. We honor a student that has shown a curiosity for occupational opportunities by being involved in a variety of extracurricular activities and who has learned the value of hard work by holding a part-time job.

We, John and Diane, were introduced to CSF Westfield Dollars for Scholars when our oldest of five children received a scholarship. We have been fortunate that our children have benefitted from the generosity of CSF Westfield and the Westfield community. We were impressed with the Awards Night ceremony which honors the scholarship donors, and recognizes the achievements and potential of each student that receives a scholarship. We were moved with the effect of the award on students both financially and psychologically. It is a wonderful boost to a student's self-esteem to receive a scholarship from the community.

As soon as we watched our first ceremony, we knew that we wanted to be a part of it in the future. Diane has served on the CSF Westfield Board of Directors since the fall of 2014. She is delighted that her family joins her with her passion for CSF Westfield by contributing their Fantasy Football League dues to create this scholarship. We wish all students the very best!
