Providing Post-Secondary Scholarships for Local Students

St. Louis Park's Class of 2019 awarded 100 scholarships

On May 20, 2020 we celebrated graduating seniors and their families at the St. Louis Park High School Scholarship Awards Night. An incredible one-hundred SLP High School students were awarded Dollars for Scholars scholarships totaling \$93,700 dollars to help them pursue their college educations and future dreams.

A recent award recipient shares her story of thanks

"Coming from a single mother of four, a university college never seemed like a possibility. During my senior year I applied for a full ride scholarship, I ended up not receiving the scholarship and that's when I really thought I wouldn't be able to go to college. My mom did not have enough money to help me with finances so I knew I would have to pay for college on my own."

"The scholarship has been able to provide me with the full college experience. My freshman year I was able to live on campus, which helped me to find a good group of people and allowed for me to develop into who I was outside of family influence. This scholarship has helped me focus on being in college versus always having to work to support myself. I am so thankful for this scholarship because without it college wouldn't have been possible."
