

Maquoketa Valley

**Dollars for  
SCHOLARS®**

A Program of Scholarship America®

# MISSION

## STATEMENT:

The mission of the Maquoketa Valley Dollars for Scholars is to encourage graduating seniors to take further training and education to improve their opportunities for rewarding employment and other life goals. The group will seek donations to support this mission and be responsible stewards to provide the most help possible for graduates of Maquoketa Valley High School, now and for future generations.

# HOW TO MAKE

## A DIFFERENCE:

### ENDOWMENT

With your generous contribution of \$5000 or more an Endowed Scholarship can be established to provide enduring support. The principal gift is invested and the income provides a scholarship to a graduating MV student every year. They may be established in the name of an individual, business or corporation, community group or organization or in memory of a loved one.

### DIRECT

Your contribution of \$250 or more can provide one-time scholarships to graduating Maquoketa Valley seniors to assist with their post-secondary education costs. Please consider giving a Direct Scholarship today in your name or in memory of a loved one. Encourage your co-workers, community group or organization to join together to make giving easier.

### GENERAL

Donations of any amount can make a difference for graduating seniors. Contributions of this nature are combined to provide General Chapter Scholarships to Maquoketa Valley students. Many scholarships we award are funded from general donations and we depend upon the continued support of individual donors. We encourage you to consider making a donation today. Contributions may be eligible for the Endow Iowa State Tax Credit and for a federal tax deduction. Please consult with your tax advisor for additional information.
