Dollars for Scholars®

Who we are.....and the community that supports us

Please consider volunteering to this Community-based organization that has helped so many local students get to college and explore career opportunities. We need your help, both financially and by helping out in any way you can. Here are a few ideas:

1. Help at a fundraising event
 2. Help out with our award ceremony in the Spring
 3. Be a DFS Board Member & help steer us
 4. Help with creating this brochure or other mailings.
- We can't do this without you! We will find a place for you to help our students!**

Founded in 1989, Taconic Hills Dollars for Scholars is a local, volunteer, non-profit organization that raises scholarship money for Taconic High School students. We are affiliated with the national organization, Scholarship America. To date, we have awarded over \$2 million in scholarship money to over 1,300 high school students.

Although our primary objective focuses on the financial help we can provide graduating seniors who are attending two and four-year colleges or trade schools, we provide assistance to current students for career exploration through our Extern Program and a program for "Non-Traditional Students," to help adults with their continuing education needs.

In addition to our fund-raising efforts, we receive support from special events sponsored by alumni, service organizations and businesses, corporate donations and matching grants, honorary and memorial donations, land donations, and bequests.

Another source of the money we award at graduation is derived from our stewardship of outside scholarship funds, such as the Fred A. & Adrienne C. Cordes Memorial Fund Scholarship and the Rheinstrom Hill Community Foundation Scholarship. Please contact us if you are interested in having our organization serve as an umbrella for the administration of a existing scholarship, or for a new honorary or memorial scholarship you wish to establish.
