You must complete all the double starred (**) items in order to submit the form and you must complete all of the single starred (*) items to move your progress towards 100%. All other items are helpful in matching to scholarships, but optional.

When entering GPA, you will also need to enter the Scale. The scale can be found on your transcript or by asking a school official such as a guidance counselor. For example, your high school could have a 4.0 scale and your GPA is 3.85 and you would enter a scale of 4. If your scale is a percentage, such as 100%, you would enter 100. Or if you checked the box that your school uses Weighted GPAs, you would enter your weighted GPA and your school's weighted GPA scale.

If your school used the same GPA scale for all grade levels, check the box that says "My school used the same GPA scale for all grade levels."
