

May 2020

Congratulations on being selected as a recipient of an Oneonta Dollars for Scholars award! With community support, we are pleased to provide awards to our deserving students as they embark on their journey to fulfill their higher education goals.

In the event that circumstances require you to defer receipt of your award, you may request a deferment for one year at a time. An extension may be granted upon request for a total deferment of no more than two years (five years for military service). Please complete the form below and return it to us as indicated. All requests require approval by the Oneonta Dollars for Scholars Board of Directors and are made at their discretion. You will receive notification from the board of directors regarding the status of your request. Students granted a deferral **MUST** contact the board of directors in writing in order to request a reinstatement of their award.
