Welcome to Whitman & Hanson Dollars for Scholars annual newsletter!

Whitman & Hanson Dollars for Scholars is a local chapter of Scholarship America. As we begin our 60<sup>th</sup> year of helping the high school seniors of our community reach their dreams of higher education, we would like to thank our loyal donors who helped make the 2021 fundraising year a tremendous success.

On our virtual Awards Night, June 1, 2021, the Class of 2021 received \$142,351 in scholarships.

Whitman & Hanson Dollars for Scholars is pleased to have awarded more than \$2.9 Million to over 3,700 students in our history.
