

Queenin Family Scholarship

Kevin Queenin of Westfield, CEO of Specialty Bolt & Screw and a proud graduate of Westfield State University, is pleased to establish the Queenin Family Scholarship with CSF Westfield Dollars for Scholars. This scholarship is in recognition and celebration of student achievement, and supports their pursuit of future educational and lifetime goals.

For many years, the Queenin family has enjoyed the benefits of living in the Westfield community. In recognition of the city's impact on their family life, and to give back to the community, they have

created the Queenin Family Scholarship to provide financial assistance to deserving Westfield students pursuing higher education.

It is our family's hope this scholarship will make a meaningful impact on the lives of the recipients by providing the financial assistance needed to pursue their academic dreams. We also hope this will inspire other individuals and businesses to invest in the education and future of our city's youth. The Queenin family takes pride in supporting Westfield students and looks forward to the success of the scholarship recipients!
