

**THE HARVEY A. REMIS SCHOLARSHIP**  
**Harvey A. Remis**

Harvey graduated from Babson College in 1973, received his MBA from Boston College in 1981, and was a well-respected business leader in Marblehead. He was also a strong role model and devoted much of his time to Marblehead youth sports. Harvey died suddenly in December 1998 and this scholarship reflects his vibrant love of life and commitment to the higher education of our children.
