

## SHOW YOUR SUPPORT!

*“Scholarships by local people for local students”*

Naches Valley Dollars for Scholars is truly a community effort. NVDFS exists because of the generous support of many members of our community. What began in 2001, has grown each year to help graduating seniors reach their dreams. This effort is primarily through donations and endowments from local people and businesses. Donations are an important part of NVDFS. There are also two major fundraisers during the year with the Crab Feed and Golf Tournament. If you would like to be a part of this community effort, please contact [nachesvalley.dollarsforscholars.org](http://nachesvalley.dollarsforscholars.org) for more information.

**“We are grateful to all of you for your support of NVDFS!”**

MAKE A DIFFERENCE!

## NVDFS's Unique Nonbiased Scholarship Process

- ◆ Students apply online
- ◆ After an application is completed, software generates a score based on GPA, school references, work experiences, club, sports, and student government activities.
- ◆ NVDFS processes students' goals and unusual circumstances reports.
- ◆ No names are attached to these. Only the award chairperson knows the students' names, and he/she does not vote.
- ◆ NVDFS scores are added to software-generated scores.

A Successful Method of Selection!

**We are Proud** to have been able to provide scholarships for our students since 2001. We have been good stewards of funds raised, donated, or earned. However successful we have been, we are always looking for ways to increase our support provided to our graduates.
