

## Reaching students statewide in 2019!

### Scholarship awards expand statewide

Over the 17 years of its existence, North Dakota Dollars for Scholars has impacted the lives of high school and college students with its scholarship programs. This year, the Board of Directors made an important decision to open scholarship opportunities to all students that have graduated from a North Dakota high school, not only those with a chapter in their community. Students with a local chapter still reap the benefits of local scholarships that are awarded by their community.

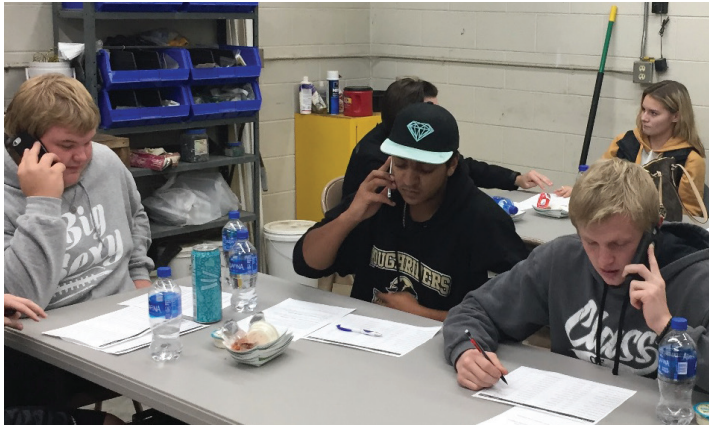

### New scholarship announced

The Mallie Ann Breuer Foundation Endowment was started in March of this year to honor the life of Mallie Ann Breuer, who passed away September 6, 2011 at the age of 25. Mallie grew up on the family farm near Mooreton, North Dakota, and was a graduate of Wahpeton High School in 2004. She furthered her education obtaining her Associate of Applied Science in Nursing. Mallie was a valued member of her community, who made a huge impact on everyone she knew. To know Mallie was to love her. Mallie had an incredible zest for life. She touched everyone's heart with her unforgettable smile and infectious laughter. She was a friend to all. Mallie was an avid player on the community recreational softball and volleyball leagues. The endowment provides a \$500 scholarship to high school seniors. Preference is given to students graduating from Wahpeton High School who will be enrolling in a nursing program.

## Local chapters get creative

### Washburn Area Dollars for Scholars

**Phone-a-thon:** Washburn area residents, family members and friends of the junior and senior class made calls for two hours and received a lot of pledges! The board provided the students a script to use when making the calls.

**Volunteer help for local events:** Students help local organizations by volunteering to set up tables and chairs, clean up and haul trash at local events. It provides a nice presence for Dollars for Scholars in the community.

### LaMoure High School Club Dollars for Scholars

**Sports scoring fundraiser:** The board raises approximately \$5,000 each year by inviting local businesses to donate a specified dollar amount per LaMoure Loboes point scored. There are four sponsors per game.

**World famous Knoephla soup:** One of the board members, Ruth Hodem, made five roasters of her famous knoephla soup to serve during the final home football game of the year. Every year they sell out by half time!

## Statewide conference motivates

North Dakota Dollars for Scholars hosted local chapters at a statewide conference in October. Participants took a day off from their busy schedules to share their knowledge and encourage each other. Topics included donor relations, engaging volunteers and living with an attitude of gratitude.

### Richland #44 Dollars for Scholars

**Toilet bowl fundraiser:** The chapter placed toilets on their float in the Homecoming Parade. For the next 30 days, the toilets were moved from house to house by five members. Community members had to pay \$10 to remove the toilet, \$20 to have it moved to a specific location or \$30 to ensure it wouldn't show up on their lawn again!

**Mother-Son Nerf event:** Every boy was given a nerf gun, eye protection and a bandana. Their escort brought their own. The gyms were then set up and made ready for lots of nerf fun along with a photo booth, root beer floats and snacks. One five-year old proclaimed, "This was the best night of my life!"

**Daddy-Daughter Dance:** This was a wonderful night with a Grand March and DJ. Activities included the dance and games, one of which was human foosball.

### Rugby Dollars for Scholars

**Rugby Dollars for Scholars Gala:** This was the second year for the event which embraced a Halloween theme. A three-course meal was served as guests purchased tickets to place into prize 'buckets.' Most prizes were donated by businesses. The evening concluded with winners being drawn from the buckets, followed by a live auction of items like UND hockey tickets, a Traeger grill and a purse from India Hicks. Bonus tickets were sold for a Coach purse and a snow-camo rifle. The atmosphere was made complete with Halloween decorations and a DJ that brought a fantastic Halloween set-up. The event profited \$10,000 which will be used for scholarships benefiting Rugby High School students.

#### **Towner Granville Upham Dollars for Scholars**

##### **TGU Dollars for Scholars Gala Tour of Tables:**

Tables were decorated in themes by local groups. Some tables were sponsored by local businesses and organizations; others were set up by groups of friends and family. Each table had a free donation jar. Prizes were given for the jar with the most collected money and the best decorated table. The event also featured a dessert raffle and silent auction with items donated by local businesses.

**Jeans for teachers:** Teachers donated to wear jeans every day for a week. Most of them donated more than what was suggested.

#### **Jamestown Dollars for Scholars**

**Game sponsors:** The Jamestown Chapter showed its school spirit at fall high school football and volleyball games. They had a \$250 sponsor for five home football games whose name was announced after every touchdown. Eight businesses sponsored a volleyball game for \$100 each; their name was announced at the beginning of the match and between sets.

**Pizza Ranch fundraiser:** It was Dine-to-Donate at the local Pizza Ranch with 25 percent of sales and tips donated to the local chapter. Four students assisted three board members in clearing tables. Nearly \$400 was raised.

## Robert and Doris Alin Legacy Scholarship recipients - \$2,500

Robert (Bob) and Doris Alin started an endowment fund to offer a unique scholarship to students. This year, two applicants who demonstrated commitment to community service and education were awarded \$2,500.

### Madison Leintz

Madison Leintz is a student at the University of Mary in Bismarck, double majoring in Elementary Education and Early Childhood Education. She plans to teach in rural North Dakota after graduation. Madison believes a wide range of extra-curricular and community activities play an important role in her education so she is an active member and officer within the University of Mary chapter of Students North Dakota United and has created and implemented leadership workshops for junior high students at the North Dakota Student Council Convention. She has also had the opportunity to serve her community during all four years of college as a part of the University of Mary Day of Service and has been involved in developing a crosswalk plan for the North Dakota Education Standards and Practices Board and the Department of Public Instruction.

Madison shares, "I am truly honored to receive this scholarship. Not only does it help me financially, but it also gives me the opportunity to accomplish my educational goals. I look forward to giving back to the communities that have provided me with so many opportunities to grow as a future educator within North Dakota."

### Lindsey Bunn

Lindsey Bunn is attending Valley City State University to obtain a degree in Elementary Education with a minor in coaching and an endorsement in STEM. Her goal is to teach in a small school like the one she attended in Enderlin, North Dakota. She remembers her third-grade teacher asking her to help a new classmate who had autism and realizing then she may want to become a teacher. That relationship has continued over the years. Lindsey has been a member of FCCLA, FBLA, National Honor Society, Student Council, Alpha Lambda Delta, basketball and fastpitch softball teams, and served as a Sunday School and Vacation Bible School teacher.

Lindsey mentions, "I am honored to be selected as the recipient for this scholarship. This contribution will help me significantly to complete my degree (tuition, books, etc.) in Elementary Education at VCSU. Thank you to North Dakota Dollars for Scholars for investing in my future! I encourage all students to apply for these scholarships."
