Who we are...What we do...

- Woodbury Scholarship Fund Dollars for Scholars is a volunteer organization with a single focus:
Enabling the young people in our community to advance their education
- We are a chapter of Dollars for Scholars®, a Program of Scholarship America®
- Since 1975, the Woodbury Scholarship Fund Dollars for Scholars has awarded over \$1,000,000 to over 700 students. This year we awarded \$85,000!
- "Go The Distance" is our largest fundraiser that embraces the entire Woodbury community and attracts bikers, runners and walkers from throughout the region. The 2017 event is set for Saturday September 23th

Why is this important?

- The future of our community...and our society...rests with a well educated, competitive population
- The cost of a public college education has increased 104% in the last 10 years
- Only 40% of American adults hold at least a 2-year degree, and the holder of a bachelors degree will earn 65% more during their career than a high school graduate
- College dropout rates and student loans debt are at an all-time high in America

***The 2017 goal for "Go The Distance" is \$35,000
100% of proceeds go to scholarships!***

Why should you consider a sponsorship of "Go The Distance"?

- Help a young man or woman create a better future, personally and for all of us
