UB Summer 2017

Dual Enrollment/College Classes being offered this summer include:

- ➢ ENG -1071-J01   College Writing
- ➢ MAT -1080-J01   Intro. to Quantitative Reasoning
- ➢ PSY – 1010-J01   Introduction to Psychology

Must have 10 or more students registered for these classes in order for them to be offered this summer.

Vermont Dual Enrollment

- Log onto the following website to request a school voucher for this summer:

  http://vtdualenrollment.org/

Thank you for your interest in the Vermont Dual Enrollment program.

As a junior or senior attending a public high school, technical center, or an independent school using public tuition dollars in Vermont, you are eligible for two Dual Enrollment vouchers, each good for one free college course at a participating college. The free credits earned at college also count as credit towards graduation from high school.

Before applying for a dual enrollment voucher, please review the eligibility guidelines, and if you have any questions, contact Toni Marra at toni.marra@vermont.gov.

I am planning to take a course at one of the following schools:

Bennington College
Burlington College
Castleton University
Champlain College
College of St. Joseph
Community College of Vermont
Goddard College

Green Mountain College
Johnson State College
Landmark College
Lyndon State College
Marlboro College
New England Culinary Institute
Norwich University

Saint Michael's College
SIT Graduate Institute
Southern Vermont College
Sterling College
University of Vermont
Vermont Technical College

VERMONT COLLEGES VOUCHER REQUEST

Click on this Box

Who's Eligible?

High school students who are Vermont state residents are eligible for two vouchers during their junior or senior years in high school. Students are not eligible to use a voucher the summer after they have graduated from high school. Students must apply for a voucher for the semester they wish to enroll in a dual enrollment course. Students who attend an independent high school and are not tuitioned there by their hometown are not eligible for a voucher.

I have reviewed the eligibility guidelines and would like to request a voucher.

Click on this Box ➡️

CONTINUE

Program Details:

- The voucher covers the cost of tuition for up to a 4-credit course at any of the participating colleges. The voucher does not cover the costs of materials and textbooks. Some funding is available through VSAC to help cover these additional costs for students who are eligible for free and reduced price lunch.

- Vouchers are awarded on a semester-by-semester basis, and unused vouchers expire every semester. (You can apply again.)

- Students must apply for a voucher whether they take a course on a college campus or take a course at their high school for college credit.

- Students must get approval for a dual enrollment course from their high school principal to ensure they will receive high school credit. (For a voucher to pay for a college course, it must count as credit towards graduation at the student's high school.)

- If a student changes his or her mind and wants to attend a different college, the student needs to apply for another voucher.

- If the student drops the course within the college or university's published add/drop period, the voucher will not be applied, and it is available for use in a different semester.
