

Whitman & Hanson

Dollars for Scholars®

2021 Goal: **TBD**
2021 Donations to Date: **\$1,200**

Welcome to Whitman & Hanson Dollars for Scholars annual newsletter!

Whitman & Hanson Dollars for Scholars is a local chapter of Scholarship America. As we begin our 59th year of helping the high school seniors of our community reach their dreams of higher education, we would like to thank our loyal donors who helped make the 2020 fundraising year a tremendous success.

On our virtual Awards Night, June 30, 2020, the Class of 2020 received \$134,071 in scholarships.

Whitman & Hanson Dollars for Scholars is pleased to have awarded more than \$2.8 Million to over 3,600 students in our history.

THANK YOU for your continued generosity and support!

Dollars for Scholars in 2020

In a “normal” year, Dollars for Scholars could be seen two-three times a month conducting “in person” fundraising events from a classic car show to canning at elections. 2020 is anything but normal. For the safety of our volunteers and the public, our board has decided at present to only conduct outdoor fundraisers where limited person to person contact exists.

Please know...we are still here. We are still serving students who have great financial insecurity heading into college. We still NEED your help. If you can assist in any way, please consider a donation by mail or on line. Please visit our website, www.whitmanandhanson.dollarsforscholars.org, to donate, to read about our organization, to create student profiles and more.

As always...we thank you and our students thank you!

Interested in our organization? Want to help make a difference for our high school students?

As an all-volunteer organization, we welcome extra hands and new ideas! Monthly meetings are normally held the first Wednesday of each month, September through May, except for December, in the library at Whitman-Hanson Regional High School at 7:00 p.m.

Please contact Mike at 781-252-9683 or via email at whitmanandhanson@dollarsforscholars.org for more information.
