

Shakopee Dollars for Scholars®

Shakopee Dollars for Scholars chapter consists entirely of volunteers whose sole purpose is to raise funds to aid high school graduates in the pursuit of post-secondary education of any type. i.e. college, university, two-year technical or community college or any specialized training.

Scholarship awards are based on a combination of academic achievement, extra-curricular activities, community service, work experience and financial need. Many moderate sized scholarships are awarded rather than a few large ones.

Last year, \$115,000
was awarded to 125 students.
