Just as Bob and Donna paid it forward to their family by providing a better learning environment for students, we as donors now wish to pay that forward by providing a \$500 scholarship to aid a Maquoketa Valley graduate in obtaining a college degree. Our challenge to the recipient of this scholarship is only that they too will pay this forward in 2 steps; first by showing an act of kindness, giving of time, or other charitable contributions to a person or persons in need within the next year, and secondly, that when the recipient attains a station in life where they can afford to do so they will also aid in supporting a student to attain a college education.	\$500.00	Haley Ronnebaum
