SUBJECT: Yelm Dollars for Scholars Scholarship Instructions

Student name:

Student ID:

YELM DOLLARS FOR SCHOLARS is an affiliate chapter of Citizen's Scholarship Foundation of America, Inc. Although we recognize that each institution has its own financial aid revision policies, we prefer that this student's Dollars for Scholars award be used first to fill any demonstrated financial need, then to adjust the loan or work portion of his/her aid package. We have students who also received the Washington Achievers Scholarships and we are interested in how this affects their financial package.

Our scholarship may be used in the following manner:

- Tuition and tuition-related charges
- Room and board
- Bookstore charges for required text or lab material

Please DO NOT release any funds to the student. Money may be carried over to the next year or released to another school if the student transfers. Please return any unused money to our address:

If you have questions, please call (360) 458-6106.

Sincerely,

Treasurer
