

Park Square Realty Scholarship

Park Square Realty was established in 1987 in Westfield, Massachusetts. We created the scholarship as a way to give back to the community in which we do most of our business.

Park Square Realty recognizes the importance of a college education. The entire undergraduate experience can be fun, challenging, and rewarding for the individual. The growth and benefits from this experience will last a lifetime. We appreciate how expensive it is to go to college, and we are happy to help hard working students with this scholarship.
