# Support the future of our community.

In 2015 the Marshall Scholarship Foundation Dollars for Scholars celebrated 10 years of community involvement and giving. It began with an initial donation from the Marshall High School class of 2003. Through the volunteer support of community and school leaders the foundation was formed and in 2005 we awarded our first scholarship.

Since that first scholarship was awarded, the Marshall Scholarship Foundation Dollars for Scholars board of directors has dedicated itself to the raising and careful stewardship of funds. Their goal of increasing the number of scholarships as well and the dollar amounts continues.

## Help us help our communities' youth.

The Marshall Scholarship Foundation Dollars for Scholars is proud of its commitment and involvement in the Marshall community.

Our foundation works closely with other local organizations and the school district to support our community.
