Lake Central Dollars for SCHOLARS®

A Program of Scholarship America®

We are a community-based, volunteer-operated scholarship foundation affiliated with Scholarship America: the nation's largest non-profit, private-sector scholarship and educational support organization.

We help Lake Central High School students achieve their post-secondary educational goals by:

- raising scholarship funds, establishing endowments, and seeking grants
- providing assistance with post-secondary school readiness and the financial aid process
- distributing scholarships to graduating seniors of Lake Central High School each Spring

Since 1991, we have awarded over \$800,000 in scholarships to LC grads.

As an extracurricular club, DFS provides an opportunity for students to get involved at Lake Central. We sponsor fundraising activities and events throughout the year.

Many community organizations contact DFS looking for student volunteers. As they support these organizations, student members of Dollars for Scholars gain leadership and volunteer experience. Serving the tri-town area teaches them the value of supporting one's community.

Lake Central Dollars for Scholars offers programs to improve post-secondary school readiness, as well as financial support for continued education. In this

way, we help to create a well-equipped generation of students who will enter higher education, complete their education, and possess the tools needed for success in the workforce.

We want to help them get there, encourage them as they go, and watch as they succeed...

Won't you consider offering financial support to help ensure that all students can access and complete their education beyond high school?

When members of our community contribute money for scholarships for local students, it provides needed financial assistance and sends a strong message of encouragement and support to the next generation. It is an investment in our children, which is priceless.
